

# StoreWatch Ranger PRO<sup>®</sup>

## StoreWatch Ranger PRO Digital Surveillance Systems- Protect Your Assets, Your Inventory, and Your Employees

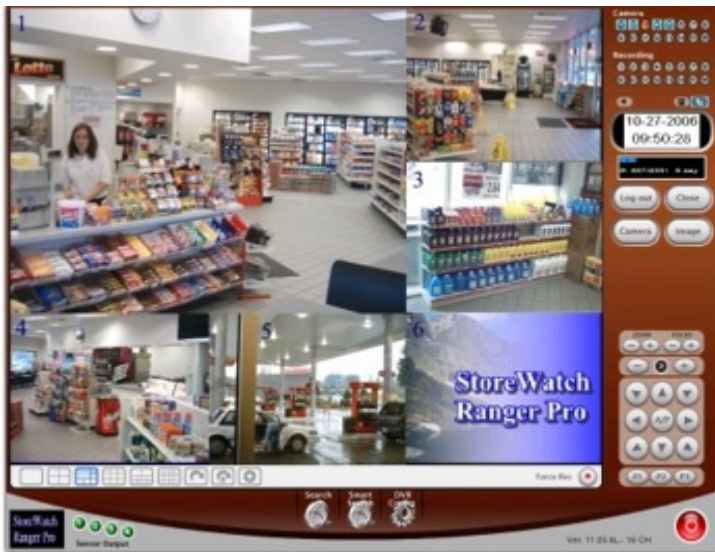

The StoreWatch Ranger family of Digital Video Recorders (DVR) is the answer to your C-Store digital surveillance needs! Our advanced technology gives you the power you need, in an easy to use package. Ranger PRO will protect your business 24/7/365 easily and affordably.

StoreWatch Ranger PRO operates in a Windows 7 Professional environment on an industrial grade ruggedized computer and provides you with 16 or 32 camera channels, crystal clear digital image quality, high frame rates, motion detection, easy drag and drop scheduling, digital watermarking and remote access and control from any web connected computer.

StoreWatch Ranger PRO can also provide searchable register tape overlays to allow you to find specific transactions instantly. Save still images or full motion video to CD-R or DVD-R disks for evidence purposes.

StoreWatch Ranger PRO is the affordable solution to Convenience Store Management and Security. Get control of all aspects of your store today with StoreWatch Ranger PRO.

### StoreWatch Ranger PRO

Aztech can also provide all your camera needs. We consult with construction companies during new construction, or recommend camera placement on existing stores.

We can also arrange for a complete turn-key installation!
